**14<sup>th</sup> January 2020**

### **AGENDA ITEM 8.3 PICKMERE PHOTOGRAPHIC AND HERITAGE SOCIETY**

#### **1. Background**

- 1.1 Members will recall that at your meeting of 3<sup>rd</sup> December 2019 you considered an offer from the Society to fund the erection of a new interpretative sign at the IROS. At that meeting you resolved you would (individually) inspect the existing boards before this meeting and consider what might be desirable. The matter was to be included on this Council agenda.

#### **2. Recommendation**

- 2.1 That members consider the society's suggestion.
