

REPORT TO PICKMERE PARISH COUNCIL

9th July 2019

AGENDA ITEM 9.2 REQUEST FOR FURTHER MEMORIAL BENCH

1 Report

- 1.1 Members will recall that you have a policy relating to the provision of memorial items, including benches, on Parish Council-owned land and in recent years 4 new benches have been provided through donations to the Council – one on land at Clover Drive and three on the IROS/near the lake.
- 1.2 A further request to provide a memorial bench has been received; the family's preference is that it be located on/near the top of the slope in front of the Pavilion, as this is an area which was particularly favoured by the family member now-deceased.
- 1.3 Two new benches have recently been provided in this area, both replacing previously existing benches. A number of other metal benches are also found in this area.

2 Recommendation

- 2.1 That Council consider whether to accept this request and if so where the proposed bench might be located.
