

REPORT TO PICKMERE PARISH COUNCIL

2nd June 2020

AGENDA ITEM 9.3 ANNUAL PARISH MEETING 2020

1 Report

- 1.1 The requirement for an Annual Parish Meeting to be held has been withdrawn for the current year because of the current crisis. Such a meeting is impossible to arrange in the context of current Government regulations and advice. It is therefore proposed that consideration of such a topic be postponed until the prospect of holding similar events returns.

2 Recommendation

- 2.1 That consideration of the form and date of the Annual Parish Meeting be deferred until such a meeting becomes a possibility.
