

## **REPORT TO PICKMERE PARISH COUNCIL**

**2<sup>nd</sup> April 2019**

### **AGENDA ITEM 9.4 REVISED CODE OF CONDUCT FOR MEMBERS**

#### **1. Background**

- 1.1 Parish Councils (PCs) are required to adopt a Code of Conduct for Councillors. PCs may produce their own individual code but as with most other Parish Councils, your Council adopts the Code of Conduct published by Cheshire East Council (CEC). CEC has recently revised and updated its Code, in consultation with CHALC, and it is appropriate that your Council adopt the revised version. This is therefore appended.

#### **2. Recommendation**

- 2.1 That Council adopt the revised Code of Conduct published by CEC in 2019.
