

REPORT TO PICKMERE PARISH COUNCIL

4th September 2018

AGENDA ITEM 9.1 REVIEW OF COUNCIL STANDING ORDERS

1 Report

- 1.1 At your July meeting you resolved to note the suggested amendments to current standing orders, with a view to approving them at this meeting. In addition, you resolved to consider whether to undertake a more comprehensive review of Standing Orders; a copy of the NALC Model Standing Orders has been circulated to members as a suggested model should you be minded to do so.
- 1.2 It is suggested that the amendments proposed at your previous meeting be adopted pending any broader review, as that is likely to take some time to complete.

2 Recommendation

- 2.1 That members approve the proposed amendments to Standing Orders, and consider whether to proceed with a broader review, in which case the amendments approved now are to be considered as an interim measure.
