It is my intention to contact them again, a month on from their letter to me to ask for an update.

Dear Esther

Re: Doran Family and Land at Spinks Lane, Pickmere, WA16 0JU

Thank you for your correspondence of 29 January requesting an update regarding the Doran Family and the Spinks Lane site, which has been forwarded to me for a response by the Council's Acting Chief Executive, Kath O'Dwyer.

I have contacted the Enforcement Team for an update for you and can advise that the Council has requested the necessary information, but has not yet received it. Any decision taken by the Council in relation to further action will be based on either the failure to provide the requested information, or it will have regard to the information provided. Once a decision has been made with regards to any further action it will be communicated to the interested parties.

Yours sincerely
