Hello there,

I am part of Knutsford beat team and as part of this we are asking how we can more effectively Police the roads. As part of this we are asking for your help to set the priorities for the coming months within the roads of Knutsford.

With this in mind please can you rate the following answer in order of priority starting with one being the biggest priority and eight being the least.

VEHICLES SPEEDING
DRIVERS USING MOBILE PHONES
OFF ROAD BIKES
NO TAX/INSURANCE MOT
PARKING AND OBSTRUCTIONS
DRUG OR DRINK DRIVING
SEAT BELTS AND SAFETY ISSUES
CONDITION OF HOW THE VEHICLE IS/HOW IT IS USED.

What locations would you like us to target?
