

PICKMERE PARISH COUNCIL

NOTICE OF AN EXTRA MEETING OF THE PARISH COUNCIL

THIS WILL BE HELD ON TUESDAY 24TH MAY 2016 AT 7.30 PM

IN THE VILLAGE HALL

All members of the council are requested to attend for the purpose of considering and resolving upon the business to be transacted at the meeting as set out in the agenda below:

AGENDA

**1. Present;
Apologies;
Public:**

2. Declarations of Interests:

3. The Purpose of this Extra Single Item Meeting:

In pursuance of the council developing a robust long term strategy for its assets, it is necessary for the council to establish the viability for all the options under consideration. To date extensive independent survey work has been conducted to establish the cost of repair and improvement work associated with the Village Hall on Pickmere Lane.

The council will now consider a proposition to seek Planning Permission for an extension to the Pavillion, located on the IROS land. It is envisaged that any such application would extend to a size of 100m² which equates to approximately 25% increase on the current Village Hall. The use of any new hall would be similar to the current Village Hall on Pickmere Lane, principally for the use of local groups and societies with no intention that the council would seek commercial use for the new building over and above current practice for room hire.

The proposals for determination are:

1. The Pickmere Parish Council agrees to develop plans and design statements such that an application can be made to Cheshire East Council for an extension to the IROS Pavillion.
2. External funding should be applied for to support the design costs for the above (Item 1) application. A sum of £150.00 be agreed for the purpose of securing external funding.
