

REPORT TO PICKMERE PARISH COUNCIL

2nd May 2017

AGENDA ITEM 10.1 SPEED INDICATOR DEVICES

1 Background

- 1.1 Your Council discussed at your last meeting the potential erection of the 2 SIDs that remain unused and part of the Council's assets. You resolved to give consideration to the potential location for the erection of these devices, bearing in mind the location of the existing CE devices on Pickmere Lane.

2 Report

- 2.1 Further to the above, an email from Lach Dennis Parish Council has been received, asking if you may be interested in selling one of the devices to that Council and if so at what figure.

3 Recommendation

- 3.1 That Council decides on the future of the two SIDs not currently in use.
