

REPORT TO PICKMERE PARISH COUNCIL

7th March 2017

AGENDA ITEM 6.1 - Report on planning decisions

1 Background

1.1 Appn. No. 16/6033M – Extension and Alteration of two linked buildings and conversion to two residential units – Permission granted subject to conditions.

The Officer argued that the proposal will not have an unacceptable impact on the openness of the Green Belt as the additions to the buildings are of minor scale and result in minor additions to the existing building.

1.2 Appn No. 17/0187M – Single storey extension to create new orangery – Permission refused. The proposal was found to be a disproportionate addition to the Green Belt and the design would add an alien feature to an agricultural building and would have an over-bearing impact on the neighbour.

2 Recommendation

2.1 That Council note the decisions.

Clerk to Parish Council
