

REPORT TO PICKMERE PARISH COUNCIL

2nd February 2021

AGENDA ITEM 8.2 – SPINKS LANE

1. Report

- 1.1 The Parish Council has now received a response to its letter of October 2020 to Cheshire East Council which essentially asked for information as to the current position in relation to the above site. The response received makes reference to the ongoing Local Plan process, the possible implications of the recent Government White Paper for the local plan process, and it gives no hard information as to potential timescales. Further it does not provide a commitment to the district council returning to court in the immediate future.
- 1.2 The local authority response is detailed at agenda item 9.1. This is included on the Private Agenda because some of the comments made by CEC might be useful to the occupiers of the site in seeking to resist any further action from the district council to remove them.

2.1 Recommendation

- 2.1 That the report be noted.
