

REPORT TO PICKMERE PARISH COUNCIL

4th May 2021

AGENDA ITEM 7.4 TO CONSIDER ARRANGEMENTS IN RESPECT OF GENERAL DATA PROTECTION LEGISLATION

1 Report

- 1.1 On 1st May 2018 your Council approved a set of documents setting out the Council's policies and procedures in respect of the then newly introduced GDPR. Such policies and documents were reviewed in June 2020, without change. Nothing has changed in respect of GDPR requirements since that time. In this context, members may wish to continue to adopt the policies and documents previously approved until circumstances change. Should members wish to review the policies and documents in detail a report can be brought back to council in the future.

2 Recommendation

- 2.1 That Council continues to adopt the policies and other documents last reviewed in June 2020 until changed circumstances suggest or require their review.
- 2.2 That the Clerk continues to act as the Council's Data Protection Compliance Officer.
