

REPORT TO PICKMERE PARISH COUNCIL

1st March 2022

AGENDA ITEM 9.4 PARISH COUNCIL SPEAKER TO CHESHIRE EAST COUNCIL MEETING.

1. REPORT

1.1 As agreed, your Chair spoke in the Public Forum section of Cheshire East Council's Council meeting in Crewe on 24th February, reporting your Council's extreme dissatisfaction with 3 particular elements of CEC's responsibilities:

- the inability to contact or communicate in a sensible manner with CEC's officers;
- the lack of response to PC complaints about various planning enforcement matters;
- the lack of response to PC's request in relation to various highway matters, in particular the repainting of the yellow lines on Park Lane, the PC's wish to enter a dialogue with CEC about the possibility of extending summer parking restrictions in the village, and the policing of the existing yellow lines in Mere lane etc on busy weekends.

1.2 Your Chair will report orally on the event.

2. RECOMMENDATION

2.1 That the report be noted.
