

REPORT TO PICKMERE PARISH COUNCIL

3rd May 2022

AGENDA ITEM 7.3 TO REVIEW ARRANGEMENTS IN RESPECT OF GENERAL DATA PROTECTION LEGISLATION

1 Report

- 1.1 On 1st May 2018 your Council approved a set of documents setting out the Council's policies and procedures in respect of the then newly introduced GDPR. Such policies and documents were reviewed in June 2020, without change. Nothing substantial has changed in respect of GDPR requirements since that time, except the incorporation of riders relating to ongoing work on the play area refurbishment and the Neighbourhood Plan. In this context, members may wish to continue to adopt the policies and documents previously approved until circumstances change. Should members wish to review the policies and documents in detail a report can be brought back to council in the future.

2 Recommendation

- 2.1 That Council continues to adopt the policies and other documents last reviewed in June 2020, together with amendments made in July 2021 until changed circumstances suggest or require their review.
- 2.2 That the Clerk continues to act as the Council's Data Protection Compliance Officer.
