

## **REPORT TO PICKMERE PARISH COUNCIL**

**16<sup>th</sup> May 2023**

### **AGENDA ITEM 5.3      TO NOTE ARRANGEMENTS IN RESPECT OF GENERAL DATA PROTECTION LEGISLATION**

#### **1      Report**

- 1.1      On 1<sup>st</sup> May 2018 your Council approved a set of documents setting out the Council's policies and procedures in respect of the then newly introduced GDPR. Such policies and documents were reviewed in June 2020, without change. Nothing substantial has changed in respect of GDPR requirements since that time, except the incorporation of riders relating to ongoing work on the play area refurbishment and the Neighbourhood Plan. In this context, members should note the policies and documents previously approved. Should members wish to review the policies and documents a report can be brought back to council in the future.

#### **2      Recommendation**

- 2.1      That Council notes and continues to adopt the policies and other documents last reviewed in June 2020, together with amendments made in July 2021.
- 2.2      That the Clerk (when appointed) continues to act as the Council's Data Protection Compliance Officer.
